

## HEREFORDSHIRE CPRE

### INTENSIVE POULTRY UNITS (IPUs): A STUDY DAY

4<sup>TH</sup> March 2017 10am to 4pm

Aymestrey Village Hall. HR6 9SX

*A warm invitation to come to learn more and share experiences.*

We are hosting a Study Day on issues relating to intensive poultry units (IPUs), because they are appearing in increasing numbers in Herefordshire and neighbouring counties and giving cause for concern about their effects. Parish Councillors and local residents find planning applications for IPUS are difficult to comment on because of their complexity and accompanying long technical reports

You will see in the attached programme that there will be reviews of some of the most important issues and a practical workshop at which guidance will be provided by a Planning Specialist on how to comment effectively on planning applications.

There will be plenty of time for questions and discussion.

**Refreshments and a light lunch will be provided.**

There will be **no charge** but we would be grateful if you would let us know if you intend to come so that we will know numbers for catering.

Please either phone our Administrator, Barbara Bromhead-Wragg: 01873 892965, email: [admin@cpreherefordshire.org.uk](mailto:admin@cpreherefordshire.org.uk) or write to: Springfield, Pandy, Abergavenny NP7 8DR to confirm your attendance, **by Friday 24<sup>th</sup> February 2017.**

We hope that you will be able to join us

Richard Williams Chair HCPRE
